Subject: Invitation to the N.E. Muni-Corr Ltd. Trail Ride

Hi,

I wonder if I can ask for this to be added to your council agendas.

This year the N.E. Muni-Corr Ltd. Trail Ride takes place on Monday, September 9th. We will be riding the Iron Horse Trail from Cold Lake to St. Paul, and I have attached the tentative itinerary. We would like to invite all elected officials and staff to join us for this fun and informative day. It is a great way to learn more about the trail, meet some of the volunteers and experience the trail firsthand.

All participants are responsible for transporting their ATV to and from the ride, meals, snacks and all incidentals.

If anyone is able to take a passenger with them, please let me know. Anyone who would like to ride but doesn't have an ATV, let me know. We'll try to pair people up and get as many of the board members and alternates on the ride as possible.

Any questions, get in touch with me.

Thanks!
