RE: Highway 28 Upgrades within the Town of Bonnyville - Letter of Support

On behalf of the Municipal District of Bonnyville (M.D.), I would like to express our support for Highway 28 upgrades within the Town of Bonnyville.

Highway 28, being 50th Avenue through the Town of Bonnyville, has been the site of an alarming number of collisions over the years. Most of these collisions have resulted in property damage, injury, and/or fatalities. Installation of new traffic signals at the intersections at 66th Street and 44th Street, as well as dedicated left-turning lanes, would undoubtedly assist in preventing these needless tragedies within Town limits.

The M.D. appreciates that these improvements will be a significant step towards ensuring the safety of travellers, visitors, and the residents of our vibrant community. We urge the Province to consider the Town of Bonnyville's request favorably and look forward to seeing these improvements realized in the near future.

Sincerely,

A handwritten signature in blue ink, appearing to read "Barry Kalinski", with a long horizontal stroke extending to the right.
