Hi Tracy!

Could you please forward the following invitation to Mayor Brosseau and the Town Council to ***join us in serving lunch to the hospital staff*** on October 31st from 11-1?

We will be having a "hero theme" Halloween lunch... costumes welcome and encouraged! ;)

We will be serving sandwiches and salads on the line in the cafeteria, subway-style, made to order!

If you're able to send me numbers on who is available to attend, that would be fantastic!

Thank you!
