Subject: Request for letter of Support

Hi Bill,

Please see a request below for a letter of support. Thank you.

The Alberta Bilingual Municipalities Association would like to ask for your help by providing a letter of support to be included with our grant application to the Community Initiatives Program Grant for our Building Brides project. This project will create a comprehensive digital platform that serves as a centralized hub showcasing and marketing Alberta's bilingual municipalities as economic drivers. Additionally, the project will align with our Bilingual signage initiative, creating a bilingual economic corridor.

Additionally, Bilingual Bridges will facilitate community storytelling initiatives where residents will share personal narratives and local anecdotes related to bilingualism. These stories, curated and shared through social media and the digital platform, will amplify exposure for municipalities, both nationally and internationally. Through bilingual signage, and business outreach, the project seeks to attract investment and visitors interested in experiencing the richness of bilingual life in Alberta.

Due to time constraints for submitting the CIP application, we would appreciate you emailing a Letter of Support in PDF format to ebrosseau@town.bonnyville.ab.ca by September 10, 2024.

Thank you kindly,

Elisa Brosseau,
Chair
Alberta Bilingual Municipalities Association
