**Dear Mayor and Council**

On March 25th we are hosting a public speaking event with Joe Roberts as the Keynote. Joe Roberts speaks about his personal experience of being homeless with an addiction on streets of Vancouver and his journey from skid row to CEO. Topics that will be covered are surrounding resiliency, the power of possibilities, and what can happen when you believe in yourself. There will be two separate speaking events with one during the day for high school students and one in the evening open to the public free of charge.

Lakeland Credit Union is covering the cost of the speaker as well as other community agencies and businesses providing support. We are asking of a donation of \$2,500 to help with the coverage of the venue for the event. With this donation the Town of Bonnyville will be recognized as a sponsor for the event.

Attached is further information about the topics that Joe Roberts will be covering for the youth and the community.
